

~The Sales Call of a Lifetime~

The US Composting Council's 20th Annual Conference Equipment Display & Demonstrations Jan 20th 2012

Dear Equipment Supplier:

The USCC Annual Conference will again provide an opportunity to showcase composting equipment and systems. Arrangements have been made with the Texas Organic Products Composting Facility, to have space available for Equipment Demonstrations. In addition to a 30 acre windrow composting operation, the facility is home to a wild game farm around the perimeter of the property. The facility will host an entire day event consisting of Equipment Demonstrations, a tour of the facility and game farm, and a Texas style barbecue in its pavilion and conference center which can accommodate all conference attendees. The facility composts food waste, yard trimmings, and wood waste. We are pleased to invite you to participate in this event. The equipment demonstrations will take place on Friday, January 20, 2012. Equipment Demonstrations will be followed by lunch and tours of the Texas Organic Products Composting Facility.

RESERVE YOUR EQUIPMENT DEMONSTRATION SPACE NOW! Registration will be limited to the first 25 equipment vendors. Where else can you have a national audience observe your equipment in action in one place? Consider it the sales call of a lifetime!

Last year more than **400 conference attendees** observed 28 equipment demonstrations, including Compost Screening, Grinding/Shredding Equipment, Windrow Turning, Compost Application, Odor Control, Mixing & Blending Equipment, Front End Loaders, Excavators, Pulping and Waste Reduction, and Monitoring Equipment for Process Control. For conference attendees who have immediate or future equipment needs, this is a unique opportunity to observe some of the best and newest equipment in operation in one place at one time. Following the equipment demonstrations, there will be a tour of the Texas Disposal Systems Game Farm and the Texas Organic Products Composting Facility.

The conference & trade show expects to draw a record crowd of industry processors and marketers. For conference attendees as well as you and your staff who have immediate or future equipment needs, this is a unique opportunity to observe some of the best and newest equipment in operation in one place at one time.

You have the option of displaying or demonstrating your equipment in operation. Organic materials and loading equipment will be provided so that the conference participants will see first-hand how your equipment works. They will learn how your products and services will help them process materials and produce better compost.

LAST YEAR'S DEMONSTRATION SPACE WAS SOLD OUT EARLY, SO DON'T WAIT TO RESERVE YOUR SPACE. To reserve your space, please fill out the enclosed registration form and return to the USCC by fax: 631-737-4939, e-mail: uscc@compostingcouncil.org or US mail at the enclosed address. Questions about the equipment demonstrations can be directed to Cary Oshins at 484-547-1521 or by e-mail at cary.oshins@compostingcouncil.org. All space will be made available on a first-come, first-served basis.

There is also a VOLUNTARY SPONSORSHIP OPPORTUNITY of \$5,000 listed on the registration form for the "Texas Organic Products" Luncheon & Tour. Many other "Demonstration" related sponsorships are available. Signage will be displayed prominently for all Sponsors.

Don't miss out on this unique opportunity to reach your targeted national audience all at one time in one setting!

Sincerely,
Michael Virga
Executive Director, USCC

The US Composting Council's 20th Annual Conference: Equipment Demonstrations
Terms and Conditions

Deadline: January 6, 2012

In consideration for the opportunity to display and demonstrate equipment at the 2012 US Composting Council conference and related benefits, we, the undersigned Vendor agree to the following terms and conditions:

1. By January 6, 2012, Vendor shall provide to the US Composting Council a certificate of insurance for Comprehensive General Liability coverage of not less than one million dollars (\$1,000,000.00) per occurrence and any other appropriate coverage's in the same amount for the display and demonstration of Vendor's equipment. The certificate shall name the US Composting Council as an additional insured.
2. Vendor shall indemnify, defend and hold harmless, the US Composting Council, Texas Organic Products, Texas Disposal Systems and each of their employees, agents, servants, representatives, contractors and licensees from and against any and all liabilities, claims, injuries, losses, damages, actions and causes of action whatsoever arising from or related to the display and demonstration of Vendor's equipment, including any damage to Vendor's equipment, and whether or not caused by the negligence of Vendor or any other person.
3. The US Composting Council may discontinue or otherwise make changes to the display and demonstration of Vendor's equipment if in the best interests of the conference or participants or for any other reason, as either may be determined in the sole discretion of the US Composting Council.
4. All vendors shall provide the US Composting Council with one (1) photo of each piece of equipment and a written description of the equipment and sent on a CD or via e-mail to cary.oshins@compostingcouncil.org. Vendor consents to use of any of the photos for promotional purposes at the sole discretion of the USCC.

Vendor agrees to the above terms and conditions through the following signature of its duly authorized official:

Name of Vendor (Please indicate full legal name of Company):

Signature and Title: _____
