

Grow Your Business!

***Demonstrate Equipment and Exhibit at
THE WORLD'S LARGEST CONFERENCE & EXHIBITION
FOR THE COMPOSTING, WOOD WASTE, & ORGANICS
RECYCLING INDUSTRY***

The USCC Annual Conference will again provide an opportunity to showcase composting equipment and systems. Arrangements have been made with the Texas Disposal Systems' (TDS) Composting Facility to host the Equipment Demonstrations. TDS features a large-scale windrow composting operation where they compost food waste, yard trimmings, wood waste and manures. Texas Disposal Systems also includes a landfill, a MRF, a state-of-the-art pavilion for lunch and discussions, and is developing an eco-business park and an exotic game ranch!

At our last conference more than 400 conference attendees observed 28 equipment demonstrations: Compost Screening, Grinding/Shredding Equipment, Windrow Turning, Compost Application, Odor Control, Mixing & Blending Equipment, Front End Loaders, Excavators, Pulping and Waste Reduction, and Monitoring Equipment for Process Control. **We expect to exceed those numbers in 2012.**

Why You Should Demonstrate Equipment at the USCC 20th Annual Conference & Trade Show

- ✓ **The USCC Conference hosts the largest "LIVE" Equipment Demonstration in the U.S.** For conference attendees who have immediate or future equipment needs, this is a unique opportunity to observe some of the best and newest equipment available. For vendors and equipment manufactures, this is a unique opportunity to demonstrate your equipment to a national audience in one location. **This is the sales call of a lifetime!**
- ✓ **Capitalize on the opportunity to have hundreds of facility operators and managers observe your equipment in one place at the same time.**
- ✓ **The Texas Disposal System's Compost Facility will host the Equipment Demonstrations on the last day of the conference.** In addition to the composting operation, the tour will include their [Exotic Game Park!](#) This is sure to be an exciting and well-attended day.
- ✓ **Nearly half of the Equipment Demonstration space has already been reserved,** with several state-of-the-art shredders/grinders, turners and screening plants.
- ✓ **Equipment Manufacturers and Suppliers that have not yet reserved their demonstration space should do so NOW before space is sold out!**

RESERVE YOUR SPACE NOW! Get more info by going to <http://compostingcouncil.org/equipment-demonstrators/>. Then fill out the [Equipment Demonstration Form](#) and mail or fax it to the USCC at 631.737.4939. For more information, call the USCC at 631.737.4931.
